CLUB NOTES

SUFFERING FROM GOAL FAMINE

After winning four and drawing one of the previous five games, including two Football League Cup-ties, North End suffered an untimely setback on visiting Bristol City for the first League fixture between the clubs since 1931-32. The newly promoted club, who are unbeaten at home, won by the only goal.

It was our fourth defeat, and three of them have been by the odd goal. The last two unfortunately have been the outcome of a goal conceded in the last few minutes, when a hard earned away point seemed a likely result. There was that lapse in the final minute at Huddersfield five weeks ago, and now one with five minutes to go.

The goal that settled the issue at Bristol was one of the freak variety, a high centre of the kind never easy to judge curling in at the last second and going in off the far post near the angle with the crossbar. Bristol had not looked like scoring against a solid defence and just previously we had missed a good chance.

Only two goals have been scored in our last three matches. One cost North End two points. The other brought about the first home defeat of Huddersfield Town for 11 months and put Preston in the third round of the League Cup, an excellent performance. The third match, ending 0-0, cost us a valuable home point.

Until the reverse at Bristol there had been good reason for satisfaction over the recent prevalence of noughts on our score sheet, in that seven of the eight related to the opposition. The measure of North End's sustained improvement in defence is reflected by the loss of only four goals in 10 successive matches (two Cup-ties).

This compared with 11 conceded in the preceding five. So much to the good. Those four goals, however, have cost five points — a home draw with Middlesbrough

and defeats at Huddersfield and Bristol. That is because our striking power ironically has diminished as the defence has become stronger.

When our big worry was the loss of goals the forwards in five matches scored 11. Since then, in 10 games, they have scored only 12, and only four in six of these matches. It is both mystifying and disappointing, for there has not been any change in tactics. The accent has still been on attack and chances have been plentiful.

The forwards have lost, temporarily one hopes, the knack of getting the ball in the net. Apart from Alex Dawson there has been little penetration, although Alec Ashworth marked his return to the side after nearly 12 months absence by shooting a very good deciding goal in the League Cup-tie at Huddersfield.

At Bristol neither he nor Dawson was in the picture. The defence functioned confidently and well, but the forwards gave a poor show on the hard ground, largely through inability to master the lively ball and use it to a purpose, and they had no finish. Alan Spavin's generalship and control were missed and Lawton was hurt.

Even so, as in every game this season, not least the game which went against us by 1-4 at Portsmouth in August, we still had sufficient chances to win and failed to take them. Otherwise North End would be in a much more challenging position as promotion seekers. The sooner this goal famine ends the better.

Manchester City's visit to-day is a reminder that it is now nearly 12 months since North End last lost a League match at Deepdale. The previous occasion was on November 7th — a shock defeat of 5-2 by Manchester City ! We do not want any repetition of that ! Subsequent record : Played 18, Won 12, Drawn 6, Goals 44-17.

Congratulations to Alex Dawson on completing 150 League appearances for North End in four years. If he had managed to get two goals at Bristol he would have had impressive round figures to boast about — 150 games, 100 goals, plus a goal a game this season. As it is this wholehearted player has a fine record of achievement.

The club extend sincere condolence to the wife and family of the late Tommy Roberts, an outstanding North End and England centre forward of the 1920's in their bereavement by his death last week. A Deepdale idol for years Tommy never spared himself and was our leading scorer in six of seven seasons. His aggregate in League and Cup was not many short of 200 and he was famed for his powerful shooting.

ITALY'S WORLD CUP PROBLEM

One man with probably as much World Cup experience as anyone living is Vittorio Pozzo, who managed the Italian teams which won the Jules Rimet Cup in 1934 and 1938. Now working for a Torino newspaper, he is still among the most-travelled football authorities, even at the age of 77.

Naturally, with Scotland's defeat by Poland making the chances of Italy qualifying for next year's World Cup Final Series in England stronger than they would otherwise have been, the veteran Pozzo has been visiting World Cup headquarters at White City, London, to make his arrangements for covering the World Cup games in England in July, 1966.

And how do you think he expressed his views of Italian team problems. "The same as England's," he said. "Italy need a centre forward."

Pressed to elaborate, he said, "The days of the old-time centre forward seem to have temporarily left us. In these days of seven and eight-man defences, so many people seem to have forgotten that it is scoring goals which means so much more than preventing them.

"Somebody will realise sooner or later that football wasn't such a bad game when we used to have a five-man attack. The sooner we get back to it the better," he added.

In the World Cup games next year, for example ?

OUR VISITORS—*Manchester City*

The third of five successive testing matches for North End brings to Deepdale those always welcome and popular visitors, Manchester City, who have provided opposition possessing pleasing style and personalities for many years going back more than half a century. We first met in the League in 1902-03 and lost both matches.

City had just returned to the Second Division and it was our first spell in it. They won the championship and did so again at the first attempt when next relegated in 1909. In fact they have made a habit of getting out quickly — two seasons 1926-28, two seasons just before and after the war, one season 1950-51.

This is a wonderful record — five spells in Division II comprising only seven seasons. It proves what is indeed City's rightful place, namely the First Division. Their present sojourn, now running into its third season, is the second longest. Original Division II members as Ardwick they were promoted after seven seasons.

That was way back in 1899, since when Manchester City have been in the First Division 46 seasons, compared with 17 in Division II. Founded in 1880 as West Gorton, the club became Ardwick through Amalgamation, and joined the newly formed Second Division in 1892. Two years later the present title was adopted.

Manchester City were thrashed by 6-0 in our first meeting, an F.A. Cup-tie at Deepdale, on January 30th, 1897, one of many such clashes. They became very difficult to beat when visiting us in the ensuing years. Nine games were lost or drawn before we prevailed again in League or Cup.

OUR VISITORS—*Continued*

Between the wars City achieved eight wins and seven draws to our four victories and in the post-war period they again frequently found Deepdale a happy hunting ground, in much the same way as North End usually fared well at Manchester.

In these Notes on City's last visit we wrote "It would be an occasion for mutual rejoicing if fate ordained that we should go back to the First Division together." That was not to be, City finished 11th and North End 12th with equal points (41), but the sentiment still applies — as does the wish.

Manchester have made the better start in the new campaign, currently standing third with the same total of points as Coventry, our previous ambitious visitors, and so far have lost only one of 12 matches, scoring 25 goals to 18.

MANCHESTER CITY PLAYERS

Henry Dowd (*Goalkeeper*). Made 21 League appearances last season, the same as his rival Alan Ogley, who played at Deepdale last season. Born Manchester and a product of the club's junior organisation.

Bob Kennedy (*Right back*). An old campaigner who has proved a valuable acquisition from Kilmarnock. Born Motherwell and cost a stiff fee. Also a good right half.

Cliff Sear (*Left back*). Has plenty of experience, although seldom in the first team last season. A Welshman from Oswestry, born Rhostyllen.

Roy Cheetham (*Right half*). Born Barton, Manchester, and another recruit from the City juniors who made good. Only 11 League games last season.

George Heslop (*Centre half*). A £25,000 signing this season from Everton, has welcomed a regular place in League football. Born Newcastle and previously with that club. Looks like the man City have long needed as a keystone.

Alan Oakes (*Left half*). A powerfully-built young player who made his way through the junior teams and matured rapidly into a strong, skilful wing half. Missed only one League match last season. Born at Winsford. Close on 6ft., 12½ stone.

Mike Summerbee (*Outside right*). A newcomer whose signing recently from Swindon Town cut a big slice out of City's cash reserves. A forceful winger he has justified the outlay by his considerable success. Born Cheltenham.

Johnny Crossan (*Inside right*). Needs no introduction. Irish International who did so much to help Sunderland gain promotion and cost a high fee. Born Londonderry.

Glyn Pardoe (*Centre forward*). Progressed to City's first team (14 League appearances last season) via the juniors. Like Oakes was born at Winsford.

Ralph Brand (*Inside left*). Another of Manchester City's recent captures in their bid for promotion. Capped many times by Scotland when with Glasgow Rangers, but has yet to strike top form in English football.

Neil Young (*Outside left*). A big fellow for a winger with 12st to go with his 6ft 1½in. frame. Manchester-born. Started with City juniors. An enterprising, dangerous forager and raider who rattled our defence in the match here last season.

David Connor (*Forward*). The selected substitute. Another City young player born at Manchester and developed through the junior ranks into a useful prospect.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.
